

Inviting Expressions of Interest

Striving for an informed community with access to justice, BGCLS delivers high quality professional legal services, education, support, and advocacy to individuals and communities across the Ballarat and Grampians region.

We assist and support clients dealing with individual legal matters (e.g., family, civil & criminal) as well as working more broadly with our partners in capacity building and law and policy reform projects to address community need.

Our Board is undergoing renewal and seeks to strengthen its skill base by recruiting a Board Member (Voluntary) who can bring their specialist expertise in **Human Resources / People & Culture** to the BGCLS Board as it fulfills its strategic direction-setting, oversight, and governance responsibilities.

To enhance our capacity to deliver on our purpose BGCLS is seeking to structure a diverse board of committed individuals, with a range of thinking styles, qualifications, skills, and life experiences.

We particularly welcome expressions of interest from women, LGBTQIA+ individuals, those with a disability, First Nations peoples and members of the migrant and refugee community.

A Board Recruitment Pack, including Expression of Interest details, is available by visiting the website – <http://www.bgcls.org.au/get-involved.html>

If you wish to explore further, please call Paul Ryan, Board Chair, on 0407416010

We welcome Expressions of Interest until 5pm on Wednesday, February 1, 2023
