

COMPASS

Connect and Navigate

A program to assist clients to connect with, and navigate, support services.

The Client Support and Advocacy Officer can provide non-legal advice and assistance to clients as part of an integrated, holistic and client-focused service, focusing especially on family violence issues.

The Client Support and Advocacy Officer can assist clients by:

- Providing non-legal support and advocacy
- Assisting with the development & implementation of plans to help navigate & access relevant support services
- Maintaining collaborative relationships with service providers & partners

*Compass accepts warm & self-referrals
